* As part of an training program with us, we offer discounted hourly packages

All prices include fuel and oil as well as VAT, where applicable. All prices are final prices. Billing is based on block hours. Any fees incurred, e.g. for DFS as well as airfield and landing fees, will be invoiced accordingly.

During operation, the performance data for 55% to 60% of the maximum performance in accordance with the respective flight operations manual must be complied with.

Instructor fees

The times for briefing and de-briefing as well as the block time are invoiced.
